

R2/723/4/0041(04/22) MQA/FA 2533

Diploma in Nursing

Intakes	April and October
Duration	3 Years (Full-Time)
Course Location	 UOW Malaysia KDU University College, George Town

This program encouraged the development of the knowledge, skills and professional attitudes of a registered nurse. You will be exposed to the concepts of health promotion, prevention and rehabilitation through nursing care management. Different nursing procedures will be introduced to you allowing an understanding of the individual, family and illness and dealing with the person as an individual. You learn how to identify the activities of daily living to treat and prevent complications.
