PERSONALISED

While UOW offers more than 200 undergraduate degrees, you're more than just a face in the crowd. Our lecturers are passionate, approachable and supportive industry leaders. Some degrees let you experience different study areas before specialising, while others let you choose multiple majors or electives as you progress. This flexibility ensures your degree is highly personalised.

HANDS-ON

Practical experience is incorporated into every UOW degree. With five-star learning resources and strong industry partnerships, you'll get the opportunity to gain real-world experiences through internships, work placements, practical classes, industry projects and competitions. This means you will graduate with the skills employers want and the confidence to succeed outside the classroom.

JOB READY

With some of the best graduate career outcomes in the world, UOW is committed to getting you job ready. With online and offline workshops, expos, personalised career support and the UOWx program - designed to capture your extra-curricular activity as an additional transcript - you'll have all the tools you need to stand out in a competitive job market. Many UOW degrees are also accredited with relevant industry bodies to ensure your degree opens as many doors as possible.
